PRESIDENT'S REPORT

As President of Netball North Harbour it gives me pleasure to present the 66th Annual Report on behalf of our members.

At last year's AGM I reported that our focus was on finding a major sponsor for our Centre and we had been unsuccessful in doing so during 2016. What a different report this year. We are so fortunate to have Barfoot & Thompson come on board as our major Sponsor and what a change it has made to our Centre both in financial terms and in our Centre's appearance. We have certainly flourished under our new blue and red signage. We must also thank our other Sponsors, Community Partners, Advertisers and Funding Partners who, with their contributions also, help to make our Centre run successfully as it cannot run efficiently on membership fees alone. Our calendar for 2018 is looking very busy with a number of facility bookings already secured from other community groups, local businesses and sports groups. We are proving to be a very popular base on the North Shore for workshops, conferences, sporting and social events which helps considerably with our income stream.

We would not be able to run these events without the support of all our NNH staff who work tirelessly under the guidance of our CEO, Lynette Brady. They certainly work hard to make this Centre and its competitions run to a very high standard of excellence and now NNH has its own App which contains all the information necessary for our members to follow details of our weekly competitions, updates on programmes and important dates in our calendar. A wonderful achievement and a field leader.

In late November I attended the North Harbour Sporting Excellence Awards evening and Gail Griffiths, our Club/College Games Administrator, was awarded a Hayes Knight Sporting Acknowledgement Award, certainly an acknowledgement of the work Gail does in supporting the Clubs, Colleges, Schools, Umpires and Games Committees at NNH. Also at this Awards evening Michaela Sokolich-Beatson was awarded the Harbour Sport Regional Sportswoman of the Year for her role as Captain of the NZU21 team who are presently the Netball U21 World Youth Champions after defeating Australia in the Final at the World Youth Championships held in Botswana. Michaela also played for the SkyCity Mystics in 2017.

Our congratulations must also be extended to Ripeka Pirie who coached the Shore Rovers Premier Club team to the premiership title in 2015 and was Assistant Coach for the Marvels in 2017 and has now been announced as the Head Coach of the Marvels for the Beko League in 2018. Also, in December Netball New Zealand announced that our own Cory Nicholls was awarded the 2017 NZ Umpire of the Year Award – a wonderful achievement.

To attain these high levels of netball we must not forget the contribution from our netball centre and its personnel along with the committees, clubs, schools, coaches, umpires, technical officials, parent supporters and of course, all our players, who fill the roles that are very important to our game and assist our talented athletes to excel at their chosen sport.

Like all other sports, we are very dependent upon our volunteers and their contribution is highly valued. Our Games Committee, led by Michelle Newton, works hard to ensure the game is well organised and runs smoothly according to our Centre Regulations. The challenges for Michelle and her Committee are many and varied, but the success is obvious by the number of teams and individuals who continue to participate in our competitions. The Umpires Committee whose volunteer members wear many "different hats", continues to ensure that all our umpires from those coming through our Junior First Steps to Umpiring programme to the top New Zealand umpires, are coached by our Umpire Coaching Panels, (all appointed by Netball New Zealand), and they move forward with their necessary accreditation. Also a support to umpires and coaches, especially at our top Premier Club competition on a Tuesday night and our Super 14 competition, is our volunteer group of Bench Officials and Statisticians which is co-ordinated by Judith Downer, also a member of the Umpires Committee.

I also wish to acknowledge the role of governance taken by the NNH Board under the guidance of our Chair, Carole Maddix, who works closely with Lynette and also with the Netball Northern Zone. The Board has updated our NNH Policies and also our Strategic Plan to make certain everything is running efficiently, our financial sustainability is acceptable and planning for our future is constantly being reviewed. Many hours of work go into these matters as well as making certain our Constitution is up to date and valid for today's game of netball. Unfortunately we are losing two of our most long serving board members whom we will definitely miss – Anne-Maree Broom and Lyn Barr. I wish them well and thank them both for their contribution, commitment and enthusiasm during their service.

In closing, I would like to thank everyone who has added to the success of the 2017 season and I look forward to the 2018 season.

Helen Schulz

President, Netball North Harbour

CHAIR & CEO REPORT

2017 has been a year of hard work and dedication to achieving our aims and ambitions for another successful netball season. It has involved all our community in helping us to build for the future and for this we are most grateful.

Our People:

The Netball North Harbour community was devastated by the passing of Tania Dalton in February 2017. We again pay tribute to Tania as an absolutely amazing, loyal and loving mother, partner, friend, family member, teammate and sportswoman.

At the recent North Harbour Sporting Excellence Awards, Tania Dalton was inducted into the Harbour Sport Hall of Fame. The award was received by Tania's family. Mikayla Sokolich-Beatson was awarded the North Harbour Regional Sportswoman.

We were very pleased to have Mrs Dulcie Brunel join the NNH Board in April. Dulcie took up the vacant position left by retiring board member, Jill Hayman. The board continues to meet monthly with meeting discussions and decisions focused on governance matters. The operational management for North Harbour is the responsibility of Lynette and her team.

We continue to build relationships with our stakeholders and are pleased to have Local Councillors attend prize-giving evenings and other functions held at NNH. The Chair and CEO attended the Local Board submission meeting in June, and the Northern Zone Chair and CEO attended a NNH board meeting in May. We attend all NNZ and the Zone meetings when requested. The Chair remains a member of the Auckland Regional Netball Facilities working party and attends monthly meetings.

Our Game:

We had an increase of 49 teams this year. One of a few netball centres in our Zone that recorded an increase in playing numbers.

The NNZ Junior Programme introduced four years ago has influenced a positive effect on our players participating in this programme. The school aged Year 1, 2 and 3 players enjoy the basic skill programme however many of our primary schools have expressed a desire that their Year 4 teams participate in a 7 a-side netball game rather continuing with the NNZ skill base programme. NNH continues to work with the schools to address this issue.

In May NNH launched a new App – the main function of the App is to provide easy access for our players and community to key information resources and as a mechanism for us to communicate widely. The result to date has been positive and we will continue to encourage members to download the App and we will be working to further develop other functions of the App.

It has been many years since the structure of the game and its committee associated with the game has been reviewed. A working party will be formed early 2018 to provide a comprehensive report on the future of competitions, committees and new initiatives. The CEO will oversee the report and present to the board by August 2018.

In October, the CEO reported to the board the findings from a survey carried out on retention of school leavers in netball and integration to club teams. A working party will continue to further investigate this area and will provide a report to the Board with recommendations which will contribute to the development of the Strategic Plan.

Our Management team have worked extra hard this year in delivering coaching and umpiring programmes to the members including helping schools with their team selections, junior umpiring classes and any other requests as they arise.

The Umpires Committee continue to help up and coming umpires to achieve their umpiring goals and ensure that our top grades have qualified umpires assigned to their games each week. The Games Committee are a group of dedicated volunteers who oversee the running of the games from Monday to Saturday. Special thanks to Helen Schulz – Convenor for the Umpires Committee, Michelle Newton – Convenor for the Games Committee and all other committee members for your continuous support and commitment.

Our Representative teams performed well this year. We are aware that there needs to be more communication and development support for our Representative Coaches, Assistant Coaches and Managers. There is a high level of commitment to further develop quality performance and development programmes for High Performance Players in 2018.

Our Business:

In August this year we welcomed Barfoot and Thompson as our naming rights sponsor. Barfoot and Thompson is a very well-known business within the Auckland region not only for residential and commercial real estate but also for its generous support and encouragement to sporting participants. We thank the 13 North Shore Barfoot and Thompson offices for their support to netball on the Shore.

There has been an increase in business signage in the Arena and courtside in 2017. Our Commercial team continue to pursue new ideas and initiatives.

We engaged a specialist Health and Safety expert to assist us to review and update our Health and Safety policy and procedures in line with legislation.

The board also reviewed, as part of their governance plan, the Netball Charitable Trust Deed which is currently with the Trustees to update the Deed on recommendations presented by our legal representatives.

The Board continues to monitor and ensure that the business of Netball North Harbour is financially compliant and sound in line with all legal requirements and good business practice.

CHAIR & CEO REPORT CONTINUED

Our Facility:

In February, we welcomed Mike Corbett as our Facility Manager. 2017 was an extremely busy year with commercial businesses, schools and private organisations utilising our facilities for a wide range of events.

After receiving a comprehensive report from building experts in May 2017, the board passed a motion to progress with the option of a re-designed roof and commissioned Fat Parrott Ltd to present concept plans of the project. Fat Parrott Ltd works closely with the Building Sub-Committee in the engagement of experts to oversee costings, council bylaws, and other compliance matters including type and time of disruption to the operations of netball at North Harbour.

The delay in resurfacing the car park across from the netball courts had caused some parking anxieties earlier in the 2017 season. Takapuna Intermediate School kindly offered extra parking for our members which was greatly appreciated. The cycleway has been completed in front of NNH and we are working with Council on carpark markings and to ensure the safety of visitors while maximising the number of carparks retained.

Acknowledgement:

Thank you to the Board for their ongoing support and dedication to our sport. This year many board

members have given more of their time and expertise to ongoing projects, ensuring that the board is fully informed on issues requiring approval.

We would also like to acknowledge the hard working, dedicated and passionate staff of NNH who always go the extra mile to ensure our community enjoys a great game of netball.

To our Life Members, Clubs and Schools, we acknowledge your continued encouragement and loyalty.

To our partners, Barfoot and Thompson, Auckland Council Local Boards – Kaipatiki, Upper Harbour, Devonport/Takapuna, Hibiscus and Bays, KPMG, JustWorkout, Sports Injury Clinic, Benefitz and SAS – thank you so much for your ongoing support and commitment to our Netball community. We are very grateful to have you alongside us providing netball to the North Shore community.

We look forward to another successful and enjoyable netball season in 2018.

NETBALL NORTH HARBOUR BOARD

President	Helen Schulz
Chairperson	Carole Maddix
Elected Board Members	Dulcie Brunel
	Lyn Barr
	Natalie Tabb
Appointed Board Members	Diane Hannay
	Anne-Maree Broom
	Claudine Osborne

Helen Schulz - President: Helen has been involved with Netball North Harbour since her early playing days in 1973. Helen played mid-week and Saturday netball and then moved into umpiring. She also coached her daughter's various netball teams and became involved as a Bench Official. Helen has been the Convenor of NNH Umpires Association since 2003 and President of Netball North Harbour for nearly five years. Previously Helen served 9 years on the Netball North Harbour Board and 6 years on the Netball North Board (from where she was selected as a member of the Interim Steering Group for GANL in the formation of the Mystics Franchise). Helen is the recipient of a NNZ Service Award and is a Life Member of Netball North Harbour.

Carole Maddix - Chairperson: Carole is a Director and Shareholder in family businesses. She has been involved in Netball for a number of years in a variety of roles from Player, Coach, Umpire and Administrator at Centre and Regional level. Carole served 9 years as an elected board member on the Netball New Zealand board and is presently the NNZ Appointed Board Member to the WBOP Zone. Additionally, Carole is an Executive member of the Oceania Netball Federation. She was awarded a NNZ Service Award in 2012. Carole was included in the 2016 New Years Honours, receiving a MNZM for services to Netball.

Lyn Barr: Lyn has been involved with Netball North Harbour since 1970 as a player and in recent years as a Coach. She is a Games Committee Member and is involved in our Premier 1 & 2 Competition. Lyn has had many past volunteer roles with our Development Committee and Youth Academy Squads plus coaching representative teams. Lyn coached 2016 College Premier winners Long Bay 1 and took them to their best UNISS result since the commencement of the competition.

Dulcie Brunel: Dulcie has had a long standing association with Netball North Harbour, she started playing at the NNH midweek competition in 1978. During that time Dulcie became a NNH umpire at Junior Level, gaining both her NNH Senior/Regional Umpire Qualification and later her Netball New Zealand Umpire Badge. She has sat on many committees including being the Chair of the Games Committee, and was appointed the NNH President from 2004 to 2008. Dulcie is currently the Chair of the Netball Charitable Trust.

Anne Maree Broom: Anne-Maree is a qualified accountant and member of NZICA. Anne-Maree comes from a commercial and not-for-profit background working in various financial management roles over the years. She has also gained solid experience of the netball environment through working at Netball New Zealand for over four years. Anne-Maree is a keen supporter of netball and enjoys contributing to the netball community as a member of the Netball North Harbour Board.

Claudine Osborne: Claudine is currently a Director in a multi-disciplinary engineering consultancy based in Albany. She has extensive experience in all aspects of resource management planning and environmental engineering, having been involved in the policy, regulatory and consultancy fields of her profession over the last 20 years. Outside of work Claudine is kept busy by her three very active children who are involved in numerous sports. She is an enthusiastic supporter of netball and spends many hours down at the Netball North Harbour courts supporting her youngest daughter who is passionate about netball.

Natalie Tabb: Natalie grew up in Blenheim where in her school years played netball enthusiastically. She studied law at Auckland University and has worked as a lawyer in Auckland for 20 years. Natalie has two children the older of which is a passionate netballer with her mum saying "she shows much more skill than I ever did". When not working, Natalie spends time playing with her children and trying to get her unruly garden under control.

Diane Hannay: Diane brings her considerable strengths in marketing and digital expertise to the board. She has held marketing leadership roles for IBM, Vector and is currently in the media industry at News Works. Diane's passionate about netball, having been involved in the sport for 35+ years, and is still actively involved in coaching and playing at Netball North Harbour.

SPONSOR'S MESSAGE

Barfoot & Thompson
Licensed REAA 2008 MREINZ

As the new naming partner for Netball North Harbour's Barfoot & Thompson Netball Centre, we would like to take this opportunity to introduce ourselves. We are thirteen of Barfoot & Thompson's branches across the North Shore from Devonport to Millwater and we are excited to be part of our Shore community with you.

Barfoot & Thompson has a proud tradition of partnership in sports, from supporting Auckland Rugby, North Harbour Rugby Union, the Blues, the SKYCITY Mystics, as well as being the new presenting partner of the Barfoot & Thompson New Zealand Badminton Open, which will also take place on the North Shore.

From the local to the world-class, we believe that sporting events and groups create strong, healthy

communities and make Auckland a great place to live. With the opening of our Takapuna branch in 1952, we have been privileged to be a part of the Shore community ever since, and it was only natural for us to take this step in giving back to the local families, schools and young netballers by partnering with Netball North Harbour - a fantastic hub for community sports in our corner of Auckland.

We are proud to take the court over the next three years with you and hope to meet you while out and about in the community. If you see us around, please come say hello! Or visit us on our home on the web: www.barfoot.co.nz/northshore.

Proud to take   
   **the court.**

MEMBERSHIP

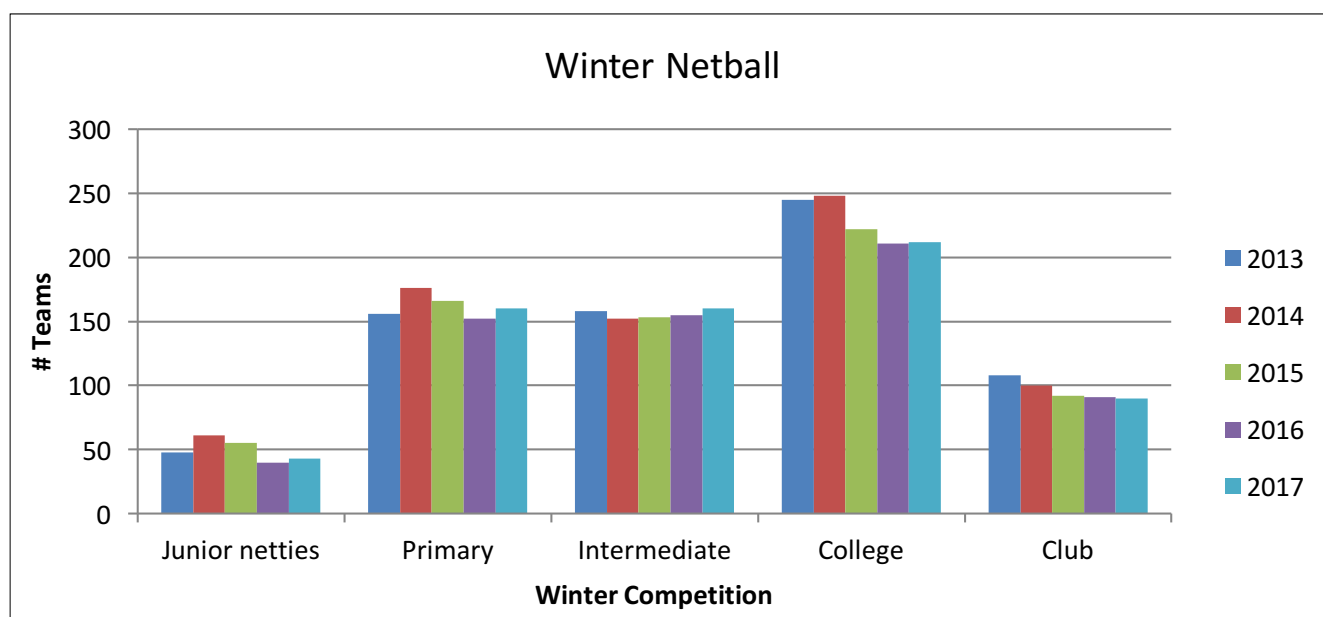

Netball North Harbour has an active membership of over 16,000 players, coaches, umpires, managers and administrators.

Winter netball is played from March to September. 2017 was the third year of competition for the ANZ Future Ferns for our Year 1 & 2 players. Social netball is played throughout the year in its various forms with a significant increase in teams across all our social competitions this year.

Our membership is made up of all ages and motivations, some are serious competitors striving for elite achievements whilst others are here for social games or to participate for the sheer love of the game, and during a full week at the centre we can cater for 20,000 plus netballers and supporters.

COMMUNITY DEVELOPMENT

Community Development continues to be a core value for Netball North Harbour. The Community Development staff delivered many successful programmes, competitions, events and new initiatives that provided excellent opportunities for both players and coaches to continue their personal development in 2017.

School Holiday programmes, Player Extension and Revision Clinics were held during the April, July and October School Holidays with over 940 players attending. Additional Extension and Revision clinics were also held outside of School Holidays throughout the year for the Year 5 - U15 age group with 134 players attending.

The Fuji Xerox Netball Experience Day is now into its 4th year and once again 50 Year 9 players participated in a skill and development programme with SkyCity Mystics Players and our NNH staff.

The Year 6 Player Development Programme is now into its 15th year and continues to provide Year 6 players with an excellent opportunity to receive specialist coaching and development to assist them with the transition to Year 7 in 2018. This year the end

of season programme had 116 players attend over three Sundays in November.

Netball North Harbour continues to deliver our Afterschool Player Coaching Programmes in Term 1 & Term 4. Our Services to Schools programme which includes school netball trial assistance and team coaching sessions with coaches and umpiring in schools is extremely popular. This year 32 schools received assistance with the selection and collation of their school netball teams. Throughout the year many schools also receive assistance with coaching and player development with their teams.

The Netball North Harbour Community and Development team are dedicated and committed to delivering and meeting the needs of our netball community. We look forward to another successful year of providing new and exciting initiatives together with the continuation of our regular programmes for our netball membership.

Michele Wallace

Community Development Manager

COACH DEVELOPMENT

Netball North Harbour continues to actively support and nurture our coaching community with the opportunities to attend numerous formal and informal coaching courses offered throughout this year.

In 2017 NNH delivered 26 coaching workshops, 12 were NNZ formal programmes with 106 coaches attending, 14 were informal workshops and 322 coaches participated. The popularity of our informal programmes highlights the importance of catering to our grassroots coaches who enjoy the opportunity to update and also network with fellow coaches in an informal and supportive environment.

The opportunity to also support our Student Coaches saw NNH go to 4 Secondary Schools in Term 1 & 2 and run programmes specifically designed for the student coaches, together with hosting a Student Coach workshop at NNH that 12 coaches attended.

Yvonne Willering hosted the Year 6-8 “Coaching for Coaches and their teams” session and 21 teams together with their coaches took advantage of receiving specialist coaching from Yvonne and her Premier Player coaching team.

We would also like to take the opportunity to congratulate Ripeka Pirie on her appointment as Head Coach of the Northern Marvels Beko Team for the 2018 season. Ripeka has coached her Murrays Bay Year 6 team this year, while also juggling her commitments to her Shore Rovers Premier 1 team and as an assistant coach to the Marvels Beko team. Well done Ripeka on your coaching appointment for 2018.

GAMES COMMITTEE

The 2017 Games Committee work alongside the Netball North Harbour staff to provide competitions and tournaments for its membership. The delivery of the game is the largest area of operation and covers all competitions and tournaments.

The Club Premier Competition continues to be played in the Onewa Arena on two separate nights. Premier 1 was played on Tuesday nights and Premier 2 on Thursday nights. Other Club was played on Saturdays at Netball North Harbour. At the request of the majority of Colleges the College Premier Competition was moved back to a Saturday morning alongside the majority of the other College Competitions with a slight change in their competition structure to allow promotion / relegation games during the season. In doing this, College Open A was moved back to the outside courts. Due to numbers the Year 9 competition remained on a Tuesday night with the Intermediate competition being played on Thursday nights. The Primary netball competition continues to grow and was once again played Monday and Wednesday nights here at Netball North Harbour and a Saturday morning competition at Westlake Girls High School. Our social twilight competition is played in six x6 week blocks with an average of 34 teams per block.

In conjunction with the Umpires' Committee, the Games Committee assists to oversee a volume of players, umpires, coaches, administrators, parents and supporters that play at the complex.

In addition to our normal competitions held at Netball North Harbour, the Games Committee assists the staff with support and leadership for the following activities:

- Netball North Harbour Pre-Season Tournament
- Netball North Harbour Secondary Schools Tournaments
- Netball North Harbour Representative Tournament
- Netball North Harbour Junior Tournaments
- Netball North Harbour Open Masters Tournament
- North Shore Intermediate Zone Day was once again a successful day and well organized by Carmel College with Netball North Harbour hosting an additional event for extra teams from Intermediate Schools.

Every year the Games Committee, on behalf of Netball North Harbour, offers the opportunity for all its members to participate and contribute in Open Forum Meetings or surveys. This enables Club, College, Intermediate and Primary personal, the opportunity to evaluate and share their experiences from the current season. From these meetings, the

Games Committee take forward recommendations for future planning. Whilst space continues to be a challenge providing competitions to meet the needs of all our membership, the Games Committee uses all this valuable feedback to move forward for the incoming year to provide a competitive season for all.

2018 will see the Games Committee put into place with guidance from the Board, Staff and our member's, competitions to provide the highest quality of netball for our members.

I would also like to acknowledge the members of the Rusty Rockets Netball Team and other netball supporters who showed that our Netball Community together provide a safe environment for our members at any given moment.

I would like to extend a huge thank-you to all of my Committee, our President Helen Schulz and the Board for their hard work and support over the season. Under the Games Committee we have an extended group of volunteers who give generously their time and effort for netball in many and varied degrees. We are always looking for more volunteers so please visit the Netball North Harbour website for further information.

Finally, I would like to thank all the staff especially Gail Griffiths, Katrina Chatfield, Teresa Smeed and Tamara Pereira for all their hard work in making sure everything runs so smoothly.

COMMUNITY UMPIRE DEVELOPMENT

The umpiring programme for community netball development in 2017 has been a busy year for all. The new rules are well and truly being adhered to with the challenge of keeping the game flowing. The sport of umpiring is for junior through to college students, as well as adults at any level, beginners through to the top of the umpire pathway.

With umpire classes in schools continuing, two more schools were added this year, the 1 day theory and practical option is the most popular course as this allows the students to participate in their own school environment. Afterschool and evening courses are still offered at Netball North Harbour for those who are not able to attend at school.

Our monthly evening First Steps to Umpiring course, allows participants to choose a course to suit their individual schedules. This commenced in February and went to the end of November this year. Members from other netball centres were also able to attend.

During both weeks of the school holidays the one day umpire theory classes and half day practical sessions continued to be popular with 172 students and adults attending keen to give umpiring a go. Lots of discussion was generated as well as having fun with it.

The practical session after the one day theory class gives each participant an opportunity to actually umpire with the right terminology and protocol, this is where

they can deliver their knowledge with confidence as well as being able to have discussion about a process.

The Netball North Harbour Beginner Junior Whistler programme for Year 6 to Year 9 students at the beginning and the end of the year allows students to do practical umpiring with some theory off season so that when the season restarts they are ready to umpire.

Candidates for the Junior Whistler programme were selected from the Beginner Junior Whistler programme run earlier in the year. Each student umpire was given coaching every week during the Grading round and was also supported by a buddy and umpire panel member. It was great to see seven of them gain their Junior Award as well as progressing to higher levels in the Umpiring Pathway for this year.

A big thank you to those schools who were part of this programme by allowing your teams to be umpired by these students. Without you this program wouldn't be able to run.

Sharon Fraser

Community Development Coordinator

NETBALL NORTH HARBOUR UMPIRES

As can be seen from Sharon Fraser's report, (Netball North Harbour Community Development Co-Ordinator for umpires), we have had a large increase in the number of beginner umpires passing our First Steps to Umpiring programme specifically aimed at this group. There have been 202 candidates pass their Junior Theory – a remarkable result.

From here these umpires will move on to their Junior Umpiring Award coached by members of our Centre Coaching/Assessing Panel. This Panel, led by Lynn Bennett and assisted by Becky George, passed 36 new Junior Umpires and at the next level – Centre Theory – we had 17 pass the Netball New Zealand Centre Theory paper which is sat on-line. Next comes the Centre Umpiring Award and there were 12 new Centre Awards and 7 Endorsements awarded by the Centre Panel.

After gaining their Centre Award and consolidating at this level for a short period, umpires then move on to sitting the NNZ Zone Theory paper and then the Zone Award. The Zone Theory classes were taken by Sharon Fraser and Katherine Kidd and 10 candidates passed Paper 2 of the Zone Theory, also sat on-line. Within this group we run a Junior Umpire Development Group for College students co-ordinated by Katherine Kidd, assisted by Josh Tupene. This year a number of these umpires went on to gain their Zone Theory.

Our Zone Coaching/Assessing Panel, led by Raewyn Vile and assisted by Jill Hayman, was able to assess and pass 5 new Zone Umpire Awards and 5 Zone Endorsements. We also had 7 candidates pass their NZ Theory, Paper 2 after classes taught by Leah Lazarus and Cory Nicholls. This was the first year that the NZ Theory exams have been sat on-line and we had a 100% pass rate.

At this point I would like to thank both Raewyn Vile and Jill Hayman for all their assistance in co-ordinating the Zone Coaching/Assessing Panel. They have done a wonderful job as I'm sure the umpires in this group will acknowledge. Unfortunately both Raewyn and Jill are stepping down from this co-ordinating role on the Zone Panel due to other circumstances occurring and we will certainly miss their enthusiasm for the role along with their weekly spreadsheets.

This year Yvonne Morgan accepted the role of New Zealand Panel Coordinator replacing Simone May who resigned at the end of 2016 due to family commitments. Yvonne has stepped in and grasped the role with both hands. All the NZ candidates are listed on Dropbox and the NZ Panel are able to add their coaching comments whenever they coach the respective umpires in this group. This has proved to be a huge success as well as helping all Panel members view where their candidates are at prior to coaching them. It is wonderful to have

Leah Lazarus join us again from her stay in Kerikeri and work with the NZ Panel at Netball North Harbour. As can be seen from our successes we had one NZA, one NZB, and three NZC all newly qualified umpires and also one NZC Endorsement awarded.

As umpires move up the NNZ Umpiring Pathway the theory and the practical exams become a great deal more difficult and the number of candidates begins to taper off. However, you will see from my attached umpiring successes that we have many talented high performance umpires at Netball North Harbour who, although some are now retired from umpiring themselves, still devote a lot of their time to coaching those umpires coming through the Pathway. We are very fortunate to have Yvonne Morgan and Fay Meiklejohn, who have both retired from International umpiring themselves, who are able to pass their extensive knowledge onto our up and coming umpires.

My congratulations are extended to Cory Nicholls who passed his NZA Award in June of this year. Cory gained this high award whilst umpiring the Beko League Final at the Trusts Stadium. Cory has umpired and coached at all levels at Netball North Harbour and can be seen at our competitions whenever he has a spare moment from umpiring at top national tournaments and events.

Not only do we have highly qualified umpires at Netball North Harbour but we also have a group of highly qualified Technical Officials (more commonly referred to as "Benchies") and Statisticians co-ordinated by Judith Downer. You will recognise most of these Technical Officials/Statisticians at NZ National tournaments, ANZ Championship games, International tournaments and at our Premier 1 games held on a Tuesday night. You will see from Judith's report that they officiate at many events throughout the year as well as keep their training constantly updated.

Before I sign off, I would like to thank my Umpires Committee – Judith Downer, Ann Bourne, Ann Tod, Jill Hayman, Sharon Fraser, Lynn Bennett, Raewyn Vile, Yvonne Morgan and Carole Maddix – for all the work they carry out during the season, not just on the Umpires Committee, but also on the Coaching/Assessing Panels (appointed by Netball New Zealand), and for those still umpiring, all the games they umpire each week. They all handle a large workload.

My thanks are also extended to the staff of Netball North Harbour who never hesitate to assist me throughout the year, no matter what my request.

Congratulations to Darren Beattie who was awarded his National Accreditation and to Denise Neal who was awarded her Zone Accreditation.

2017 was another exceptionally busy year with local, national and international events. There are now two ANZ Premiership franchise teams in the Auckland Region - Northern Mystics and Northern Stars, and two Beko teams under them, Marvels and Comets.

The games for ANZ were played at two different venues, the Trusts Arena in Henderson for the Mystics and at Vodafone Events Centre in Manukau for the Stars. The games were rostered on either Mondays, Wednesdays, Saturdays or Sundays. The games for the BEKO League were held at The Trusts Arena for the Marvels and the new Highwire Gymnasium in Papakura for the Comets on Saturdays and Sundays.

This year our Bench Officials and Statisticians have covered Local, National and International games.

NETBALL CENTRE FACILITY & EVENTS

FACILITY UTILISATION:

2017 has seen a number of new clients hiring our facilities together with the continued support of our regular hire groups. It is pleasing to receive repeat custom from new and existing clients, emphasising that Netball North Harbour is a multi-faceted facility which meets the needs at sporting, community and corporate level. We work alongside our clients to personalise their event ensuring that their specific needs are met and this, coupled with our location, makes for easy access from the motorway.

This year we have seen the Onewa Arena transformed from Sports Facility to a Catholic Convention, to sportswear sales, whilst the clubrooms have hosted a variety of events; social, corporate and community. On many an occasion the clubrooms are set up for netball and a few hours later host a wedding or social function. In April of this year the Catholic Convention was held in the Arena, a three day event with over 700 people in attendance each day; they have rebooked for 2018.

The Onewa Arena continues to be utilised by Netball NZ, the Skycity Mystics and the Northern Stars for trials and trainings for squads/teams. England Netball also trained here leading up to the Quad series. Singapore Netball are also becoming frequent visitors to our facility and using the Arena for trainings. Both Auckland Futsal and Northern Football Federation as well as North Harbour Volleyball continue to run their competitions from the indoor venue.

Balancing the use of the facility with Netball programmes and that of community and corporate hires continues to be a challenge at times, but it is realised that without the opportunity to generate hireage outside of netball, we would not be able to maintain the facility to its current high standard.

NATIONAL UNIVERSITY NETBALL CHAMPIONSHIPS

In September we hosted eight Tertiary Institutions for the annual Netball Champs. This 2 day event featured players who have played in the Beko League, ANZ Premiership, NZ Secondary Schools and Age Group NZ teams. We have again been elected to host the tournament in 2018. This was a great 2 day event which was also live streamed via our Facebook page, with some good, fast netball from all competing teams. Big thanks to the teams, umpires and officials for making this tournament a success. This year's winners were Victoria University.

RENOVATIONS/MAINTENANCE:

We continue to provide high quality facilities to our netball membership and have a maintenance plan in place ensuring that the building complies with all relevant legislation and all Health & Safety procedures for the building, equipment and personnel are being complied with as outlined in the Health & Safety Policy.

The Building Committee continue to work on both the short and long term strategies to ensure that we have a fit for purpose building both now and in the future. We continue to ensure that our current asset is maintained to a high standard and safe facility.

Fernz Catering, Jodi, Rob, Andrew, Vili and team, together with the Sports Injury Clinic team, led by Jo Coleman, provide a great service to our members and visitors for which we are appreciative.

Thanks to both Peter and Tazz for their tireless work behind the scenes to ensure that the facility is always ready to go for whatever event we have on.

NETBALL CHARITABLE TRUST

The purpose of the Netball Charitable Trust is to source funding opportunities to enable Netball North Harbour to develop and provide community access for sporting, cultural, recreational and entertainment activities to the Onewa Domain Netball Facility.

The Netball Facility is used by a number of sporting groups (currently netball, tennis, volleyball and futsal) to play school and club competitions, alongside of regular community groups from Takapuna Floral Art, Grey Power, Babylon Charitable Trust, the WDHB and a growing number of corporate bookings. The Silver Ferns, Northern Mystics, Northern Stars and visiting teams, including Singapore Netball this year, continue to use the Onewa Arena at various times throughout the year. This year in the complex we also had Fushin Ryu Karate hold their Bi-annual Karate Tournament, and the New Zealand Kyudo Federation Japanese Archery Grading Examination.

I wish to take this opportunity to thank my fellow Trustees, the Board, and Staff at Netball North Harbour for their ongoing commitment

SPORTS INJURY CLINIC REPORT

The Sports Injury Clinic at Netball North Harbour has had business as usual for the 2017 season covering all playing days and events at the centre. This season seemed wetter at times which typically sees a reduction in the incidence of injuries and so, overall, our numbers were not busier than ever but on par with current trends showing greater numbers injured in our younger age groups.

The reduced overall numbers of injuries meant we have struggled to cover the costs of running this facility with our high-quality staff and therefore many Saturdays were covered by only one paid Physiotherapist assisted by 2-3 students.

The addition of USL to our team as exclusive tape suppliers to Netball North Harbour has meant we can now be well stocked with quality product and become a trusted clinic that can offer the best advice about which brace or tape you need. Not only injuries are treated but an expert strapping service is provided. Free first aid and medical attention is still provided despite a huge increase in overheads. We rely heavily on students and volunteer staff to run this service. The centre is a terrific learning experience for both Physiotherapy and Medical students due to the variety of conditions seen.

This season also saw the arrival of an Ambulance on 3 occasions, none of which was called upon by our staff, but were deemed necessary by a sideline parent. Generally, we can assist even a quite serious injury with our medical team and equipment available thus saving the player or official or spectator money as they do not have to attend an after-hours medical facility or endure long waits at a hospital A and E.

Once again in 2017 Jo advertised and coordinated the applicants for our rep team Physiotherapy positions and kitted the team kits for tournaments and provide high quality prizes for our top umpires.

The Sports Injury Clinic also provides a Sports Doctor service on Thursday afternoons and all day Saturday. The service is provided by world class sports medicine experts, namely Jo Coleman former Silver Ferns Physio, and Dr Simon Mayhew current Warriors and Olympic Sailing Doctor.

Both are constantly sharing the latest Sports Medicine and Science information and striving for best practice to ensure Netball North Harbour is seen as a centre of excellence. They are assisted by a variety of students and therapists from around the North Shore and have an administrator to enter the injury data collected each day. By collecting this data it enables us to predict staffing levels and determine the groups that are in the greatest need of injury prevention strategies. This information is then discussed with the coachforce staff and high performance personnel to affect changes in coaching drills and pre-season screening protocols. Where possible seminars and strapping courses are given, or prescriptive documents are created for groups such as our Junior Umpires.

This year we sent out information via the Netball North Harbour database on the individual differences in the new ASICS netball shoe range and regularly blog on our Facebook page of useful tips.

The group with the greatest percentage of injuries were the Intermediate age and this is an area of concern as often the children playing in this league have junior coaches at a time in their development where the most change is happening and learning and executing a skill is critical to avoidance of injury. The common factors are poor footwear and landing techniques. Very few injuries were in the arena or as a result of slippage. The games in the arena are played by a more skilful, conditioned group of netball player and in a slightly more aggressive style.

This season saw a big drop in injuries to our premier players, but they are utilizing the strapping service more so than ever. This may cause a spatial issue in the future as player numbers grow at the centre.

The staff of the Sports Injury Clinic love being involved in the administration of quality care to the members of Netball North Harbour and part of an amazing service that provides both learning and research opportunity. They happily give up Sundays or working days to provide cover at tournaments where we saw 10% of all injuries happen this season which is a reflection of the number of games played in one day and the high level of competition seen in a tournament situation.

We are constantly evolving to meet the needs of the members of the Netball North Harbour community, feedback as much knowledge as we can, raising the bar on quality of service and being the leading Netball centre in New Zealand.

Kia tihei mauri ora!

Nā Ihowa i hōmai, nā Ihowa i tango: Kia whakapaingia tōna ingoa.

Tēnā koutou i o tātou mate maha o ngā tau ka taha. Kāore tātou e warewaretia. Nā reira ko rātou te hunga mate ki a rātou; ko tātou te hunga ora ka mahue; kia kaha tonu, ki ū, kei taea te whakakorikori. E ngā hunga ora puta noa te motu, ahakoa no hea, no hea. Tēnā koutou katoa.

Five teams from Poi Tarawhiti O Te Raki Paewhenua participated at the **30th National AMNOHL tournament** this year which was proudly hosted by Tamaki Rohe at Manurewa Netball Centre at Easter.

Healthy Lifestyles has been in place since the inception of AMNOHL as the organisation was supported by the Ministry of Health. The last set of funding was given 2016. All regions, however, decided that we would continue with the Healthy Lifestyles kaupapa while the national body reviewed their Trust Deed and Constitution. Therefore, alongside trainings the Under 13, Under 15, Under 17, Under 19 and Premier teams were also involved with health wānanga. These wānanga help develop a deeper awareness of the importance of Oranga Tinana (Physical Health), Oranga Hinengaro (Mental Health), Oranga Wairua (Spiritual Health), Oranga Ngakau (Emotional Health), Oranga Whanau (Family Well Being) and Oranga Takaro (Excellence in Sport).

From the tournament, we congratulate **Amber Moni** who was named in the Top 10 Players at Tournament for the Under 17 grade.

The 2017 development season saw two teams entered in Year 8 and Under 15 grades. Both teams participated in tournaments at Netball North Harbour, Howick/Pakuranga, Whangarei and Hibiscus Coast Netball Centres.

Acknowledgement must also be given to Darren George who attained his New Zealand C Umpire Badge in August.

We acknowledge all who have been honoured at their respective Netball Centres and/or Region throughout the year as players, coaches, managers and umpires. From the outset, our kaupapa has been about developing our people. It is exciting to see a number of coaches, managers, players and umpires progress through centre, regional, national and international ranks and look forward to further success.

Preparations are underway for the 31st National AMNOHL tournament. This will be hosted by Tai Rawhiti in Gisborne.

2018 will signal the 20th anniversary of Te Raki Paewhenua. As we leave 2017, we would like to take the opportunity to remember, and thank, the many people who have contributed to the success of our region. There are many who have graciously given their time during wānanga; the Executive members for their continued support of the AMNOHL kaupapa and the many hours of volunteer service; team management, umpires, players and whanau (of both the National and Development Programmes) for their dedicated commitment and to Rodney Netball Centre, Kaipara Netball Centre, Hibiscus Coast Netball Centre and, in particular, Netball North Harbour for their unwavering support to our kaupapa.

ENTITY INFORMATION**FOR THE YEAR ENDED 30 NOVEMBER 2017**

Legal Name of Entity: Netball North Harbour Incorporated
Type of Entity: Incorporated Society and Registered Charity
Registration Numbers: 223270 and CC11006

Entity's Purpose or Mission:

Netball North Harbour works to provide a community hub for:

- netball participation, development and success with the primary objective to promote netball as an amateur game for entertainment and recreation
- optimising shared use of the Onewa Domain netball facility by community groups for cultural, recreational and entertainment activities.

Entity Structure:

Netball North Harbour is governed by a Board of 7 trustees: 3 trustees are elected by members and 4 trustees are appointed, including the Chair position.

The Board is responsible for determining the strategies, policies and financial arrangements of and for Netball North Harbour. The CEO and team of paid employees follow through on these strategies.

Main Sources of the Entity's Cash and Resources:

Netball North Harbour is mainly funded by members through the provision of netball services. These services comprise providing year round competitive School and Club netball leagues and tournaments as well as development programmes for players, coaches and match officials. Our school holiday netball programmes are also well supported.

Significant income is also derived from the community through sponsorships, signage and facility hire. Our facilities are hired by a number of community groups for a wide range of purposes.

Grant applications are sent to various funders and generally contribute towards the operational costs of a specific programme or facility improvement project.

Main Methods Used by the Entity to Raise Funds:

Sales invoices are generated for netball registrations received from Schools and Clubs, otherwise most player, coach and umpire programmes are paid for at the time of registration.

Facility hire and sponsorship/signage is generally invoiced to community users monthly.

Grant funding support is sought from the Auckland Council and a number of Charitable Trusts where the proposed spending meets the funder's specific criteria.

Entity's Reliance on Volunteers and Donated Goods or Services:

We are grateful to the large number of dedicated volunteers who give freely of their time and are integral to the successful delivery of netball - as committee members, control room staff and assisting in the umpiring, coaching and managing of representative netball teams.

STATEMENT OF SERVICE PERFORMANCE

FOR THE YEAR ENDED 30 NOVEMBER 2017

Description of the Entity's Outcomes:

- To improve the health and well-being of the local community by developing programmes for all ages and cultures to join in and enjoy the game of netball - our national game.
- To develop confident and capable young netball players who progress through School into Club teams. The very talented will progress further into Regional and International netball teams.
- To progress the on-going development of the community netball courts and facilities to ensure they are fit for purpose and available for use 365 days per year by other sports and community groups.

Description and Quantification of the Entity's Outputs:	This Year	Last Year
School holiday programme participants	941	1,191
NNH winter netball league teams (School and Club)	708	703
Teams entered in NNH tournaments	609	598
Social netball teams	473	429
Community hirers	29	31
Special event hirers	14	35
Other sports & recreation group hirers (such as futsal, karate, kyudo, tennis & volleyball)	9	8

Additional Information:

Feedback on our outputs is welcomed and examples include:

"Ruby LOVED the netball programme. Will definitely book her in for the next holidays." *Holiday programme parent*

"Thank you so much for a great netball season and for allowing the 'Junior Lakers' to play at Netball NH. The girls have thoroughly enjoyed every Wednesday night. Your competition is run professionally, efficiently and fair!" *Team Manager/Parent*

"Thank you from the Whangaparoa College team on such a well run Premier final yesterday. It was an absolute privilege and pleasure to be a part of it.....It's been great, week in and week out to compete at Netball NH and I'm sure the girls leaving this year will have very fond memories of playing their school netball there. Thanks again for making this possible." *Team Manager/Parent*

"Just a quick email to sincerely thank you and your team at Netball NH for hosting the 2017 National Tertiary Championships. I have already received significant positive feedback from a number of University Sport Managers and staff that were at the event, as well as a couple of parents (through our FB page) who were at the event. It's clear Netball NH has done a stunning job - this of huge value reputationally as UTSNZ continues to help facilitate and re-build the national inter-tertiary rivalry of old. Feedback on the facility was also highly positive." *Community hirer*

A formal process exists for recording incidents, complaints and game protests. Such feedback is reviewed daily and programme resolutions and/or improvements are made as necessary. In addition an end of season Open Forum is held with members to review what went well, what didn't and what improvements can be made.

STATEMENT OF ACCOUNTING POLICIES**FOR THE YEAR ENDED 30 NOVEMBER 2017****Basis of Preparation**

Netball North Harbour Group has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses of equal to or less than \$2,000,000.

Netball North Harbour Group comprises Netball North Harbour Incorporated (NNH) and the Netball Charitable Trust (NCT). All significant inter-entity transactions have been eliminated.

All transactions in the Performance Report are reported using the accrual basis of accounting.

The Performance Report is prepared under the assumption that Netball North Harbour Group will continue to operate in the foreseeable future.

Goods and Services Tax (GST)

All amounts are recorded exclusive of GST, except for Debtors and Creditors which are stated inclusive of GST.

Income Tax

Netball North Harbour Group is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

Bank Accounts and Cash

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

Not-for-Profit organisations are not commercial entities and are therefore limited in the funds they can borrow. Therefore, for prudent financial management the Board maintains a reserve cash fund approximating up to 3 months operating costs.

Trade Receivables

Trade receivables are carried at estimated realisable value after providing against debts where collection is doubtful.

Property, Plant and Equipment

Property, plant and equipment is initially recognised at acquisition cost, including any costs directly attributable to bringing the assets to the location and condition necessary for them to be capable of operating in the manner intended.

Property, plant and equipment is subsequently measured using the cost method: cost less subsequent depreciation and impairment losses.

Depreciation is provided to spread the cost of the asset over its expected useful life using the Straight Line method. The depreciation method, useful lives and residual values are reviewed annually and adjusted where appropriate.

Depreciation rates have been estimated as follows:

Onewa Domain Netball Courts	35	years, straight line
Netball Courts - rubber upgrade	10	years, straight line
Onewa Domain Pavilion	50	years, straight line
Onewa Domain Floodlights	16	years, straight line
Furniture, Plant and Equipment	2.5-20	years, straight line

Gains or losses arising from the disposal of property, plant and equipment are recognised in the Statement of Financial Performance, and calculated as the difference between the disposal proceeds and the carrying amount of the assets.

STATEMENT OF ACCOUNTING POLICIES**FOR THE YEAR ENDED 30 NOVEMBER 2017****Reserves**

Special funds have been set aside from accumulated surpluses to provide a source of internal funds for organisational priorities at the Board's discretion.

Revenue Recognition

Revenue is recognised when it is probable that the economic benefit will flow to the NNH Group and that benefit can be reliably measured. Revenue is measured at the fair value of the consideration received. The following specific recognition criteria must be met before revenue is recognised:

Fundraising and Grants

Fundraising and Grant income is accounted for depending on whether or not it has a "use or return" condition attached. Where no use or return conditions are attached, the revenue is recorded as income when the cash is received. Where income includes a use or return condition, it is initially recorded as a liability on receipt. The income is then subsequently recognised within the Statement of Financial Performance as the performance conditions are met.

Donations

Donations are accounted for depending on whether or not they have been provided with a "use or return" condition attached. Where no use or return conditions are attached to the donation, revenue is recorded as income when the cash is received. Where donations include a use or return condition, the donation is initially recorded as a liability on receipt. The donation is subsequently recognised within the Statement of Financial Performance as the performance conditions are met.

Donated goods or services (other than donated assets) are not recognised.

Where significant donated assets are received with useful lives of 12 months or more, and the fair value of the asset is readily obtainable, the donation is recorded at the value of the asset obtained. Where the fair value of the asset is not readily obtainable, the donation is not recorded. Donated assets with useful lives less than 12 months are not recorded.

Revenue from providing goods or services

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer on delivery of the goods or services and when the amount of revenue can be measured reliably and it is probable that the economic benefits or service potential associated with the transaction will flow to the NNH Group.

Tier 2 PBE Accounting Standards Applied

The Board has not adopted any Tier 2 PBE Accounting Standards in the preparation of these accounts.

Changes in Accounting Policies

There have been no changes in accounting policies during the financial year.

NOTE 6: COMMITMENTS AND CONTINGENCIES

Commitments

A project has been initiated to investigate the re-design and remedial needs of the NNH building and facilities in 2018/19. The size of the project indicates costs will exceed \$1.5 million and grant funding will be sought from Auckland Council and other community trusts. At balance date \$40,000 has been committed in relation to this project (2016: \$nil)

Contingent Liabilities and Guarantees

There are no contingent liabilities or guarantees as at balance date (2016: \$nil)

NOTES TO THE PERFORMANCE REPORT

FOR THE YEAR ENDED 30 NOVEMBER 2017

NOTE 7: GOODS OR SERVICES PROVIDED IN KIND

Printing services, drink bottles, first aid supplies and sports apparel are provided during the year in kind as part of community partner sponsorships.

Additional support is received from a dedicated group of volunteers who provide their time free of charge to staff the netball Control Room on Saturdays and assist with umpiring, coaching and managing representative netball teams.

NCT and NNH are related because the NNH Board has the power to appoint and remove NCT trustees. One NNH Board member is also a trustee of NCT.

No amounts are outstanding at balance date as all inter-entity transactions have been eliminated for NNH Group reporting purposes.

NCT works to develop and provide community and multi-sport facilities at Onewa Domain for cultural, recreational and entertainment activities.

Honorariums are paid to the President, 7 Board trustees and 2 game officials.

NOTE 9: EVENTS AFTER THE BALANCE DATE

There were no events that have occurred after the balance date that would have a material impact on the Performance Report (2016: \$nil).

NOTE 10: ABILITY TO CONTINUE OPERATING

The NNH Group intends to continue operating within 12 months of balance date.

NOTE 11: CORRECTION OF ERRORS

The Last Year comparatives for tournament and social team numbers have been updated in the Statement of Service Performance.

Independent Auditor's Report

To the members of Netball North Harbour Incorporated

Report on the consolidated performance report

Opinion

In our opinion, the accompanying consolidated performance report of Netball North Harbour Incorporated (the incorporated society) and its subsidiaries (the group) on pages 35 to 46:

- i. present fairly in all material respects the Group's financial position as at 30 November 2017 and its financial performance and cash flows for the year ended on that date; and
- ii. comply with Public Benefit Entity Standards Reduced Disclosure Regime (Not For Profit); and
- iii. the reported outcomes and outputs, and quantification of the outputs to the extent practicable, in the statement of service performance are suitable.

We have audited the accompanying consolidated performance report which comprise:

- the statement of financial position as at 30 November 2017;
- the statements of financial performance and cash flows for the year then ended; and
- notes, including a summary of significant accounting policies and other explanatory information; and
- the statement of service performance and entity information on pages 35 to 36

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand) ('ISAs (NZ)'), and the audit of the entity information and the statement of service performance in accordance with the International Standard on Assurance Engagements (New Zealand) (ISAE (NZ)) 3000 (Revised) *Assurance Engagements Other than Audits or Reviews of Historical Financial Information* ('ISAE (NZ) 3000'). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We are independent of the group in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

Our responsibilities under ISAs (NZ) and (ISAE (NZ) 3000) are further described in the auditor's responsibilities for the audit of the consolidated performance report section of our report.

The firm has no relationship with, or interest in, the group.

Other information

The Board Members, on behalf of the group, are responsible for the other information included in the entity's Annual Report. Our opinion on the consolidated performance report does not cover any other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated performance report our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated performance report or our knowledge obtained in the audit or otherwise appears materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Use of this independent auditor's report

This independent auditor's report is made solely to the members as a body. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in the independent auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members as a body for our audit work, this independent auditor's report, or any of the opinions we have formed.

Responsibilities of the Board Members for the consolidated performance report

The Board Members, on behalf of the incorporated society, are responsible for:

- the preparation and fair presentation of the consolidated performance report in accordance with generally accepted accounting practice in New Zealand (being Public Benefit Entity Standards Reduced Disclosure Regime (Not For Profit));
- implementing necessary internal control to enable the preparation of a consolidated performance report that is fairly presented and free from material misstatement, whether due to fraud or error;
- identifying outcomes and outputs that are relevant, reliable, comparable and understandable, and quantifying the outputs to the extent applicable, to report in the statement of service performance; and
- assessing the ability to continue as a going concern. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the consolidated performance report

Our objective is:

- to obtain reasonable assurance about whether the consolidated performance report as a whole is free from material misstatement, whether due to fraud or error;
- perform procedures to obtain and evaluate evidence in regards to whether the reported outcomes and outputs and quantification of the outputs to the extent practicable, are relevant, reliable, comparable and understandable; and
- to issue an independent auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs NZ will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this consolidated performance report.

A further description of our responsibilities for the audit of this consolidated performance report is located at the External Reporting Board (XRB) website at:

<http://www.xrb.govt.nz/standards-for-assurance-practitioners/auditors-responsibilities/audit-report-7/>

This description forms part of our independent auditor's report.
