12 th September	Competition Game Rain Day	Schools from the postponed day

School Duties

Schools are expected to provide a person to help patrol the courts. This person will need to report to the downstairs Office at 3.45pm to collect their official jacket which must be returned at the end of the evening before leaving (7.10pm). This duty may be shared amongst adult personnel from the school.

Duty people are expected to patrol the area making sure that children are playing in safe areas, any children are supervised inside and they are not climbing fences and the building stairs, etc. Please check that the ends of the courts are kept free from spectators, bags and equipment. Checking of the toilets and advising teams of the correct warm-up area is permissible. If your people become aware of problems courtside they are asked to report such incidents to the Office for the Control Room staff to address. **There is no riding bikes, scooters or skateboards. Dogs are also not permitted courtside. Umbrella points must not be poked into the surface. Stiletto heels are also banned and chewing gum prohibited. There is a No Smoking policy which includes the carpark. Coffee is allowed courtside but we ask for lids to be on cups. FOOD COURTSIDE IS TO BE DISCOURAGED AND NO FOOD OR DRINK (except water bottles) are allowed in the Arena.**

In the case of an emergency, eg fire alarm, duty roster people are asked to help muster players and spectators towards courts 5 and 21 to the evacuation point on the cricket field.

Schools have been rostered so there are a number of teams on duty each night – roughly 5 to 6 people – duties to be shared amongst the schools (some schools only have 1 team) throughout the night.

Thank you for your co-operation.
