

NORTHCOTE NETBALL CLUB

In 2018 Northcote Netball celebrated 40 years in the Netball North Harbour competition and in 2013 became affiliated with Glenfield Rugby Club.

Northcote Netball has a combination of training and non-training teams allowing players to play both competitive and social netball. In 2018 there were nine teams and in the past few years the teams have ranged from Senior 2 to 7.

Northcote Netball encourages players of all ages and abilities to join the club with an emphasis on supporting players to reach their individual and team potential through experienced and enthusiastic coaches and managers.

We welcome all new players to make contact to discuss what your sporting or social needs are so that you can be best matched whether trialling or wishing to join a social/non-training team.

We support and offer opportunities for those wishing to develop skills such as umpiring and coaching and facilitate external courses and/or tools/programmes for developing these skills.

We hope to continue our growth, extending our membership to younger members in the hopes of generating a development stream for both players and coaches. We hope to share what it is to be part of Northcote Netball with a new generation of players, coaches and umpires, to continue the growth of our club within the community.

Northcote Netball also offers members a number of social events throughout the year and incorporate events with the Glenfield Rugby Club.
