

SHORE ROVERS NETBALL CLUB

Shore Rovers Netball Club Inc. is the oldest and largest club on Auckland's North Shore, celebrating its 60th Jubilee back in 2013.

Affiliated to the Netball North Harbour Competition we have a proud history of developing coaches, managers, players and sport administrators. We provide a coach for each team selected through trials (in 2018 we had 15 teams in total including five social teams and two development teams).

See our website for 2018 photos, results, news, coaches, committee, registration and any other information you may need.

We will be again limiting our team numbers in 2019, mostly in the younger age group. We recommend that you play school netball as a first option and only come to club if you need specialised coaching.

The required commitment level for club is high and we often find the 13 - 17 age group are already over - committed. Club netball plays in the school holidays and trains at night on a Monday or Tuesday from 6.30pm, so if you want to play club netball you must be able to commit to all trainings and games.

CLUB COLOURS:

Emerald and gold. Dress and tracksuits provided.

Club t-shirts, singlet's, hoodies, bags and sweat towels are available for purchase.

CLUB FEES:

Yet to be set for 2019 but will be detailed on our website after our AGM in March.

We offer a discount for prompt full payment or for multiple players from one family.
