

We Are The Mighty Tigers! The Tigers have been participating in the Netball North Harbour competition for two years now and are excited to make it a third! Continuing on the legacy that once was a buzzing netball club, we want to reinstill that same vibe into what we are now trying to create. We are proudly apart of and supported by the Northcote & Rugby League Club.

The Tigers have had one netball team for the past two years and have a goal to expand! We are a developing association trying our hardest to improve our skill sets .

With the goal to expand, we encourage all ages and ability to come and join this supportive family-like association.

We love to be as supportive as possible towards each other here at Northcote Tigers! Often after a netball game or whenever we can make it, we like to come back to the clubrooms at Birkenhead War Memorial to support our Premier Rugby League boys!

In 2018 we were lucky enough to fundraise enough money to be able to head down to Rotorua and play in the Kurangaituku tournament. We had a blast in Rotorua and it was a superb way to end the season, and we hope to go again in 2019!

We were fortunate enough to have voluntary help from the outstanding Liz Lee as head coach of our team but with the likes of expanding we would always love extra help from anyone who is willing! If you are interested in managing, coaching, umpiring or just developing the association as a whole, please don't hesitate to reach out to us.

If you are interested in playing or helping out with the Tigers netball association contact Georgia Bhana on 0211960097 or email nctigersnetball@gmail.com
