

COLLEGIATE N.C.

Collegiate Netball Club was first established in the early 60's by June Mariu and has been one of the most prominent clubs in the Auckland and now North Harbour competitions. 2004 saw the Collegiate Club move three of its teams to North Harbour after many years at Auckland Netball.

2017 was a good year for Collegiate with the top team winning Super 14, North Harbour & Auckland comps. It is our vision for 2018 to have 2 teams playing in the Auckland comp as well as competing at North Harbour and to increase the team numbers to 4. The presence of Collegiate players in the Age Group Rep team is indicative of the focus we have as coaches to bring the young players through and this will definitely be one of the main focuses for 2018.

Trial will be early February dates / venue to be advised.

Over the past three decades Collegiate have produced many Silver Ferns including Yvonne Willering, Sandra Edge, Tracey Shortland, Teresa Tairi, Sheryl Clarke, Lorna Suafoa and Temepara George (*pictured right*) as well as national Under 21 Players.

So come along, see for yourselves and take that next step.

Pre Season training will start in January. Court to be advised. Please contact Jan as below.

All Welcome - **TRIAL DATES**

- Month – January 2018
- Venue – NNH indoor Arena

Day	Date	Time
Wednesday	24 January	6pm
Tuesday	30 January	6pm
