Competition Format

Year 4 teams have a round robin of five games. When teams have a Bye they will have a cross over game with the other section which will not count for points.

Year 5 teams, and Year 6 Grade 1 & 2 will have a round robin of 5 games. Year 6 Grade 3 will have a round robin of 7 games. In order to fit them in within 5 weeks, some teams will have 2 games on the same day.

If teams end up on equal points at the end of the round, the winner is determined by goal ratio = goals for divided by goals against.

Points: Win = 4 points
Loss = 0 points
Close loss within 3 goals = 1 point (bonus point)
Draw = 2 points
Default = 0 points
