Willow Park 6/3

Year 6 Competition Format

All grades have 8 teams and a round robin of 7 games, except for Grades 3 & 4 which have 7 teams. Instead of a Bye, Grade 3 & 4 will play cross over games that do not count for points.

If teams end up on equal points at the end of the round, the winner is determined by goal ratio = goals for divided by goals against.

Points: Win = 4 points
Loss = 0 points
Close loss within 3 goals = 1 point (bonus point)
Draw = 2 points
Default = 0 points
